- If a student fails to complete a course in the first semester of a year, a \$250 make-up fee will be added to the tuition balance. They will be automatically enrolled in the next semester with the expectation that the student makes up the course the next time it is available unless they formally withdraw from the program.

Vibrant College can terminate your enrollment for any of the occurrences below:

## Section 7: Communication Policies

As an educational institution, we realize the importance of communication. We want you to know that even though we may not see each other face-to-face, our team is always available to help you. While we engage in personal email communication between students, staff, and instructors, we will also send system-wide emails to students that will include important information. Please make sure you add the following email to your address book to prevent our communication from ending up in your 'spam' or 'junk' folder: [college@vibranthtx.com](mailto:college@vibranthtx.com).

### Who should you contact?

1. For issues regarding a particular course, contact the instructor or the classroom administrator.
2. For admissions/financial issues, please contact Carmen Scobey ([carmen@vibranthtx.com](mailto:carmen@vibranthtx.com)).
3. For questions regarding your internship, please contact Ryan Creglow. ([ryan@vibranthtx.com](mailto:ryan@vibranthtx.com)).

### How should you contact them?

The most efficient way to reach our staff is through email. We will do our best to return every email within 24 hours.

## Section 8: Classroom Policies

All courses involve a range of assignments broken up into two-week units. Students are expected to put forth an honest effort and to always try their best. Therefore, plagiarism, cheating, forum posts with no substantial responses, etc. will not be tolerated.

## GRADING

- Students can expect to receive grades within two weeks of the end of each unit. If you submit something at the end of Unit 1, you should have everything graded by the end of Unit 2.
- On quizzes and exams, the system automatically grades objective questions (such as multiple choice and True/False). Written responses have to be graded by an instructor or teaching assistant. Therefore, your score may appear low until it has been officially graded.
- If you fail to successfully complete a course (C or higher), then you will take that course in the summer for a fee of \$300. If you fail to complete a course in the first semester of a year, you will be automatically enrolled in the next semester with the expectation that the course will be made up in the summer unless you formally withdraw from the program.

### **Late Grade Policy**

1. Each unit's work must be completed by the end of the two-week unit. Late work will be penalized 10 points per week late. If an assignment is not turned in by Sunday, you have until Sunday of the next week to complete the assignment with a 10-point penalty.
2. Emergencies that require extensions should be documented and will be evaluated on a case-by-case basis.
3. Vibrant College is not responsible for technological issues. E-mails get lost, websites temporarily go down, and instructors are not always available on demand. Therefore, do not wait until the last moment to complete your work.

### **Grade Scale**

A: 90-100% B: 80-89% C: 70-79% D: 60-69% F: 0-59%

### **Inactive Policy**

Students who have not turned in any assignment during a two-week unit will be contacted with a warning by their instructor or teaching assistant. If a student remains inactive for two consecutive units, they will be removed from the classroom. Students who are removed from the classroom and still do not formally withdraw will still be financially responsible for their tuition.

## **Section 9: Attendance Policies**

**Weekly Requirements:** Regular and punctual attendance is required. Vibrant College's attendance policy requires that students be present every week in the online classroom and at weekly Leadership Development Forums. Attendance is established by the punctual submission of one weekly graded assignment. For each Vibrant College course, one of the following graded assignments must be submitted to satisfy weekly attendance requirements:

- a substantial discussion post
- a completed quiz or exam
- a written assignment.

### **Absences**

1. Absences are neither excused nor unexcused. Attendance is recorded weekly.
2. If a student is absent for two consecutive units, the student will receive an administrative withdrawal from the course without the possibility of a refund.
3. Technical difficulty is not an acceptable reason for absenteeism.

4. An email or a "checking-in" response in the discussion forum does not satisfy the weekly attendance requirement.
5. Students will be notified via email regarding their absentee status.

## Section 10: Student Conduct Policies

Vibrant College can decide to terminate the enrollment of any student for conduct unbecoming a Christian leader or in conflict with the values of Vibrant. These values are introduced in NEXT and the Honor Code.

### Vibrant Leaders Family Values

- **Relationships:** Our relationship with God and one another is our most powerful motivation. We believe that the Kingdom of God is best reflected in the context of a family or relationship. Therefore, we are committed to developing real relationships with real people and a real God. And 'real' is a key term. These kinds of relationships we value above projects and programs. We value individuals above agendas and believe that only in proper covenant relationship with others can we maximize our potential and seize our opportunities for the Kingdom.
- **Worship:** We believe that, as humans, worship is our highest and most noble expression of purpose. We place a high value on worshipping God and believe that as a group we are strengthened as we worship together. Therefore, we plan opportunities to worship together.
- **Integrity:** If we are to sustain real relationships with real people, we believe that integrity is an absolute must. People who do not value integrity will find Vibrant uncomfortable. We value a Christian's word and trust their motives to first be Christ-o-centric before they are me-o-centric. This core value allows us to be whole people who work as a team with a redemptive purpose. This commitment includes sincerity with God, honesty with people and in finance, and a lifestyle of

responsibility, accountability, and repentance.

- **Excellence:** Excellence is a commitment to do our very best every time. Therefore, we see ourselves as forever students – always seeking to learn and improve our abilities and skills. Our goal is to function at increasingly higher levels of effectiveness. This requires a pursuit of wisdom, knowledge, and understanding, as well as spiritual authenticity and fervency. We seek to create a culture where we are constantly being challenged with new ideas and insight, where a competitive spirit is resisted, but competence is encouraged and expected.
- **Generosity:** As a Covenant Family, we affirm the concept of firstfruits giving and believe that every field with the potential to harvest has a responsibility to sow, be it an individual or institution. Therefore we practice tithing at every level of the Kingdom. It is a concept that is one of the core values of the Scripture in both the Old and New Testaments. We believe that in creating a culture of generosity and obedience to tithe, we acknowledge God as first in our lives and ministries and as the only source of our blessing and provision.
- **Education:** We are lifelong learners. We are stimulated and challenged by new experiences and ideas that move the Kingdom and our lives forward. Therefore, we value and place great emphasis on the educational process. While Jesus Christ is certainly our Savior, we also have a great appreciation for Jesus as the Master Teacher and Guide, and we seek to follow His example with His disciples as they learned and then transmitted that knowledge to others. We are committed to providing a wide range of educational and developmental opportunities for leaders at all experience and responsibility levels.
- **Leadership:** Our view of leadership is best understood through service to others. We lead by serving, but we also recognize that serving creates influence. We, therefore, seek to equip those who serve to be efficient and effective in their pursuit and performance of leadership responsibilities. We seek to encourage influencers to develop the core biblical concepts and intelligence to serve with excellence and humility.

## Section 11: Internship

Students are expected to serve while they study. This requires active attendance and engagement in Vibrant Church. Students should serve 3-5 hours per week and at weekend services while enrolled in Vibrant College. The internship will be evaluated by your participation in webinars, discussion forums, self-evaluation forms, and evaluation forms from your leader/mentor.

## Section 12: Completion of Vibrant College

### **Graduation**

Upon successful completion of Year 1 and Year 2, students will be eligible to graduate. Graduation occurs at Vibrant Church. To be eligible for graduation, students should have a grade of at least “C” for all courses and no outstanding balance owed to Vibrant College.

### **Licensure/Ordination**

After completing Year 1, students are eligible to apply for licensure with pastoral/oversight recommendation. After completing Year 2 and holding a license with Destiny Leaders for one year, students are eligible for ordination, with pastoral/oversight approval. Both licensure and ordination are optional for Vibrant College students, and an application must be submitted for consideration. *Successful completion of Vibrant College does not guarantee licensure/ordination; it simply makes one eligible to apply.*
